SOCIAL ENGAGEMENT

Since 06 / 2023 **Young AI Leaders**
Co-Founder and Munich Hub Lead

As part of ITU's AI for Good initiative, the Young AI Leaders community strives to empower young professionals aged 18-30 to leverage artificial intelligence for positive social impact, fostering innovation that addresses the United Nations Sustainable Development Goals while building a vibrant community of changemakers. I founded the Young AI Leaders in Munich in 2023 and joined ITU's AI for Good in 2025.

Since 12 / 2021 **Global Shapers Community (Munich Hub)**
Honorary Advisor and Alumnus

The Global Shapers Community, an initiative of the World Economic Forum, is a network of hubs developed and led by young people who are exceptional in their potential, their achievements and their drive to make a contribution to their communities. I served as Partnerships Officer of the Munich Hub from 2022 – 2025.

Since 05 / 2020 **German Forum for Ethical Machine Decision Making**
Co-Founder and Board Member

The German Forum for Ethical Machine Decision Making shapes the ethical guidelines in dealing with machine-based decisions, together with leading experts from companies, politics and science. EME's focus lies on promoting general awareness as well as creating transparency and understanding for the pitfalls in the use of artificial intelligence and algorithms.
